Re: Docket No. 2009-220-C – Frontier Communications of the Carolinas, LLC, Service
Outage in Georgetown County.

Dear Ms. Boyd:

On November 4, 2019, Frontier Communications informed the Commission that service has been restored in the St. Luke Community in Georgetown County, and stated it planned to file the detailed report the company's remedial measures required by the Commission in Order 2019-755 later this week. Frontier is preparing the report but needs more time to provide the Commission with the required information, and now plans to file the report early next week.

Please let me know if you require additional information regarding this matter.

With best wishes, I am,

Sincerely yours,

s/ Charles L.A. Terreni
